

BY HOOK OR BY CROOK

Clearing Dino World of popcorn and rum, the fearful four jumped on their cart and headed for new fruit-full lands. This time, the gun slinging west. Armed to their beaks and ready for action, who you got?

Pirots 3 a 6x7 gunslinging slot that comes with the CollectR™ mechanic, an expanding game grid, symbol upgrades, symbol transformations, wilds, coin wins, a bonus game as well as a super bonus game – all packed into a potential 10,000x bet.

X-iter™

X-iter™ allows players to jump straight into the action with 5 different game modes ranging from a 3x bet with more than four times the chance to trigger the bonus to a 500x bet Super Bonus played on the maximum grid with upgrade symbols that always upgrades all gems.

GUNSLINGERS & BANDITS

Two adjacent birds have a random chance to perform a duel. Birds then move apart and shoot in any direction, collecting anything they hit. Three or more adjacent birds guarantees a duel feature!

A collected key triggers the bandit's escape feature. The bandit lands on the game grid collecting symbols and duels birds until he's defeated!

CollectR™

TRAIN HEIST

The train heist feature is triggered when the same bird can collect a symbol on both of the train backdrop positions. Up to 3 feature symbols are then awarded.

COIN GAME

The coin game feature is triggered when the entire grid is cleared during the peanut feature or the bandit escape feature. Coin wins or scorpio death, it's up to lady luck!

Three bonus symbols collected during a game round trigger the bonus. The grid size, the progress on the feature meter, the payout level of the amber symbols, and the collection of additional bonus symbols are all persistent during the bonus game.

Recommended size and ratio for desktop browsers

For the optimal gaming experience, ELK Studios recommend launching the game in 1600x900 resolution. If scaling is required, use 16:9 ratio.

Technology

ELK games uses state of the art web technologies including support for canvas and WebGL. The client detects the capabilities of the device regardless if the player is running on a desktop, tablet or mobile.

The game client will then optimize the gaming experience based on those parameters.

ELK Studios

We build great casino games

Since founded in 2013, ELK Studios has pushed boundaries in the online casino industry. From groundbreaking mathematics to astonishing artwork, ELK takes pride in developing entertaining mobile first content that maximizes the experience for players around the world.

Our games are developed and compiled by our inhouse studio in Sweden, and we use well known test centers such as Trisigma and Gaming Laboratories International to certify them. Once released, all games are operated by partners and operators who hold license in each market.
